

Metamora Country Days and Hot Air Balloon Festival

Hot Air Balloon Launch
Friday, August 26 and Saturday, August 27, 2022

Dear Friend,

We are ready to celebrate the 41st anniversary year of Metamora Country Days and Hot Air Balloon Festival sponsored by the Metamora Chamber of Commerce.

Thousands of people ranging in age from infancy to older adult attend this event. Visitors come from several surrounding counties.

The Metamora Chamber of Commerce is asking for your support. The success of Metamora Country Days and Balloon Festival depends in part on donations and sponsorships to pay for the cost of entertainment, special events, etc.

Your early commitment will enable the committee to move forward on planning one of the finest events in our area. **We need to have your sponsorship by August 1 in order for you to be included in print advertising and to have balloon banners printed.**

Please review the attached information about sponsorship opportunities. If you have any questions, please contact us.

Thank you in advance for your commitment to support Metamora Country Days and Balloon Festival.
